## Sacred Vision Quest

CASCADE MOUNTAINS ~ASHLAND, OREGON

JUNE 12-18, 2022

The Sacred Vision Quest for men and women is a rare opportunity to reignite the fire fueling your life, and reclaim your power, passion, and purpose. Dive deep into your personal story through this pan-cultural rite of passage, and become empowered to live life fully and authentically.

- Experience a 3-day/3-night solo fast in the backcountry wilderness.
- The Cascade Mountains—with deep, pristine cedar and fir forests, natural springs and clear mountain lakes—invite deep reflection on your authentic self.
- Let Nature be your mirror, as you look deeply within and reflect on the bare bones of your being.

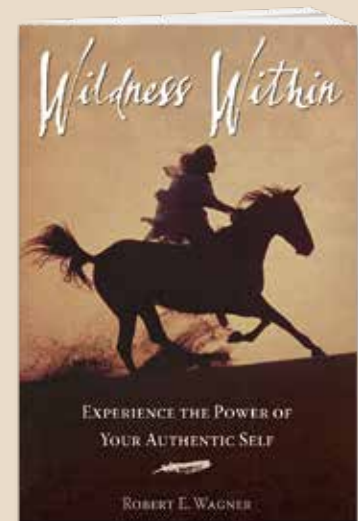

Our Sacred Vision Quest is a spiritual journey, a window of transformation – a precious chance to reclaim the joy and vitality of your “wild,” instinctive, authentic self.

*"When you combine a dramatic natural environment, people coming with open hearts seeking to grow, a skilled guide who creates a safe container, and the opportunity to dive deeply into your own 'bare bones'—the results are remarkable!"*
